

ST. MICHAEL-ALBERTVILLE VOLLEYBALL
JV/9th GRADE TOURNAMENT
September 26th, 2009

Welcome to the 2009 version of the STMA JV/9 volleyball tournament! We are excited to have all of you in our new facility with an expanded number of teams! This year we will have 16-JV and 12-9th Grade teams, so there will be a lot going on to say the least!

The JV portion of the tournament will be a 16-team bracket with each team getting four matches. Play will begin on all eight courts at 9:00a. This will then be condensed into 4 courts with the losers of the first round playing again after the first round is complete. The winners of the first round will play at roughly 11:00a. We will continue to alternate between the two sides of the bracket with the last match schedule to start at 3:00p.

The 9th Grade portion of the tournament will consist of four pools of three teams playing a round-robin format. Teams will then be put into three brackets of four teams with each team playing a total of four matches on the day. The 9th Grade portion of the tournament is schedule to begin at 10:00a so please have your teams ready to warm-up as soon as the 9:00a matches are complete! The last scheduled match of the day for 9th Grade is roughly 3:30p as we will have about a ½ hour break between pool and bracket play for teams to eat and for the brackets to be completed.

Again, we have a new facility so we want to make sure that you go to the correct building. The new building is about 1.5 miles west of the old high school. The address is 5800 Jamison Avenue NE, St. Michael, MN 55376. Please have your teams and parents enter through the main entrance. This is the second left into the parking lot and the door to the left of the ST. MICHAEL-ALBERTVILLE HIGH SCHOOL sign on the front of the building. Your buses and parents can also park in that lot which is the student lot.

We ask that no outside food be brought into the buildings. Also, we ask that you bring only water onto the floor of the Activity Center. We will be asking players and parents to remove any pop or Powerade type drinks from the floor and upper track of the Activity Center. We hope that you understand as these items can damage our new floor.

We will provide Head Officials and score table personnel. The team listed on top of the bracket or first is the home team and will hit first for warm-ups.

Line Judges: (You will need to provide two line judges when your team is scheduled to line judge. We also ask that whoever is line judging do it for the entire set so that we do not have players switching in the middle of a set. There will be time for them to eat/rest without doing this. Please understand that you want the line judges to do their best, but they are just kids so if you could give them a break as well as inform your parents to do so as well that would be great! However, please inform your line judges to do their best and that there are no cell phones or iPods while working. Thanks!) We will provide line judges for the 9:00a and 10:00a matches of the JV portion. After that, we ask that the loser of the previous match provide line judges for the match on their court for the remainder of the tournament. In the 9th Grade portion, you have a line judge schedule along with your play schedule. For the start of bracket play, line judge assignments are listed. The loser of the previous match will line judge on that court after that with the exception of the last matches where STMA will help with a couple of matches as the loser of the previous match will play back to back.

We will play best 2 of 3 to 25 in games one and two with no cap. The third game, if needed, will be to 15 with no cap.

T-shirts will be awarded to the Champions of each tournament. 15 per team max.

There will not be an Athletic Trainer on site that day, but ice will be available as needed.

Concessions will be available all day and there will also be t-shirts available for players to purchase.

Please have your team ready to go and we can keep the day moving! When one match is done, be ready to take the court for warm-ups.

Thank you for your participation and GOOD LUCK!
